

# e-Resource of the Month

## ABI-INFORM Complete

ABI/Inform is a source of business and management information with content from thousands of journals and publications.

### What?

It is a comprehensive database that has over 6,800 business and management journals world-wide. It includes information of over 200,000 companies and also offers access to full-text business Doctoral dissertations and Masters' theses.

### Why?

Publications are precisely indexed and various search aids and tools are provided in the platform to help users find information. Tools for citation generation, emailing and printing articles of interest are also provided on the platform.

### Where?

You can access ABI-INFORM Complete from the Library e-Resources page.

To access ABI-INFORM/Complete, follow these simple steps:

1. Go to <http://library.sim.edu.sg/SitePages/Online-Databases.aspx>
2. Select **ABI-INFORM/Complete** from the list of databases
3. Click on **Member Login** or **Student Login** to begin
