## How to access M360 Website:

<http://m360.sim.edu.sg/Pages/SIM-SPR-Home.aspx> → Log in using members User ID and password

M360 portal combines content from across the SIM Group and other relevant sources. Easy access to a comprehensive repository of relevant management and leadership knowledge: emphasis on Asian-centric practices and profiles of leading management and leadership viewpoints.

**Content available:** Management surveys, topical research, case studies, and interviews with top executives from across the region. The discussion forums provide you an opportunity to connect and network with SIM members and other individuals with similar interests.

## Publications Available

**Today's Manager** is a quarterly magazine that was started in December 1995 which looks into the cutting-edge trends, development issues, and changes impacting management professionals. It reaches out to senior management and decision makers in both public and private sectors and across various industries.

**Management Review** was started 1979 and is a peer-reviewed journal which looks into the latest business issues in Singapore and the region. It also features insights from key consultants and top management team leaders of top multinational organisations and small- and-medium organisations.
