

Use Google Scholar and link to the articles available in SIM Library

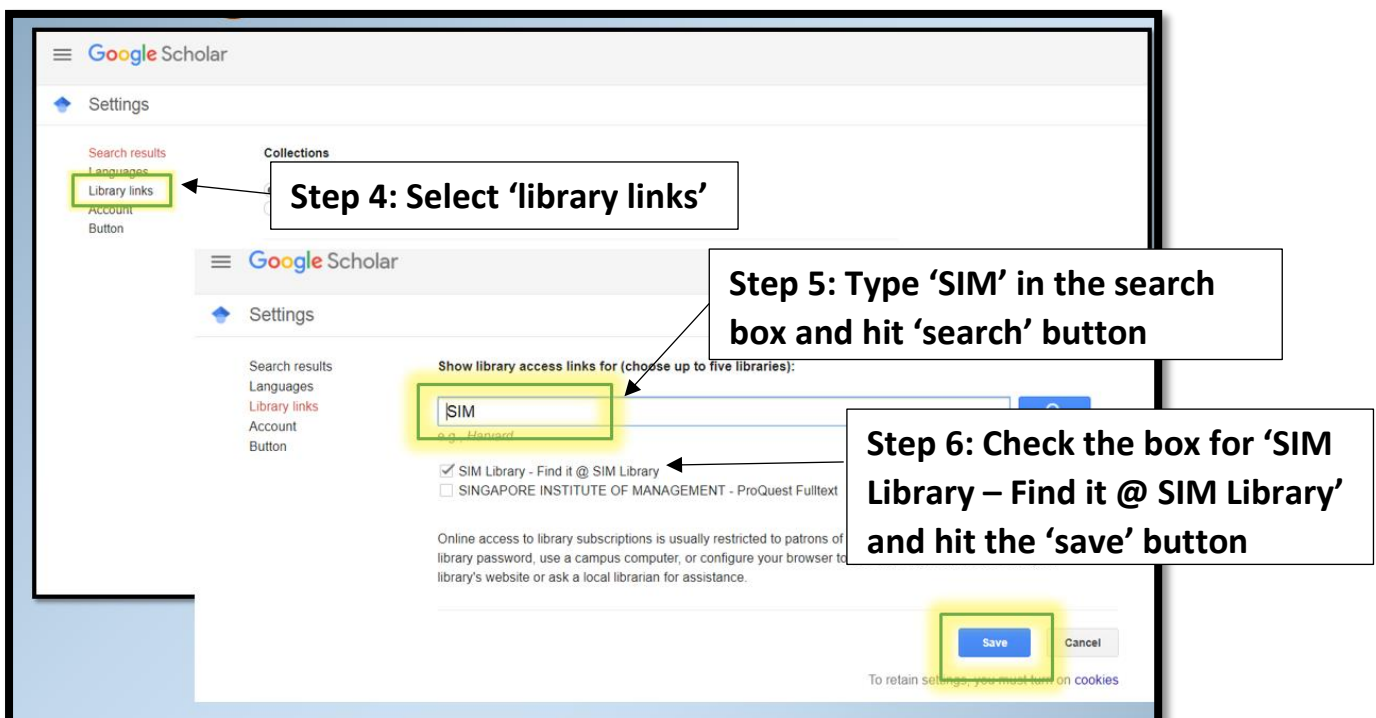

Step 1: Go to Google Scholar

Step 2: Select the hamburger icon

Step 3: Select 'settings'

The screenshot shows the Google Scholar homepage. A yellow box highlights the hamburger menu icon in the top left corner. A callout box points to it with the text "Step 2: Select the hamburger icon". Another yellow box highlights the "Settings" option in the left-hand navigation menu. A callout box points to it with the text "Step 3: Select 'settings'".

Step 4: Select 'library links'

Step 5: Type 'SIM' in the search box and hit 'search' button

Step 6: Check the box for 'SIM Library - Find it @ SIM Library' and hit the 'save' button

The screenshot shows the Google Scholar settings page. A yellow box highlights the "Library links" option in the left-hand navigation menu. A callout box points to it with the text "Step 4: Select 'library links'". Another yellow box highlights the search input field where "SIM" has been typed. A callout box points to it with the text "Step 5: Type 'SIM' in the search box and hit 'search' button". A third yellow box highlights the "SIM Library - Find it @ SIM Library" checkbox, which is checked. A callout box points to it with the text "Step 6: Check the box for 'SIM Library - Find it @ SIM Library' and hit the 'save' button". A final yellow box highlights the "Save" button at the bottom right of the page.

Once you have configured the setting, Google Scholar will locate articles that are available from SIM Library. Click on 'Find it @ SIM Library' to access these articles.
