

ONESEARCH USER GUIDE

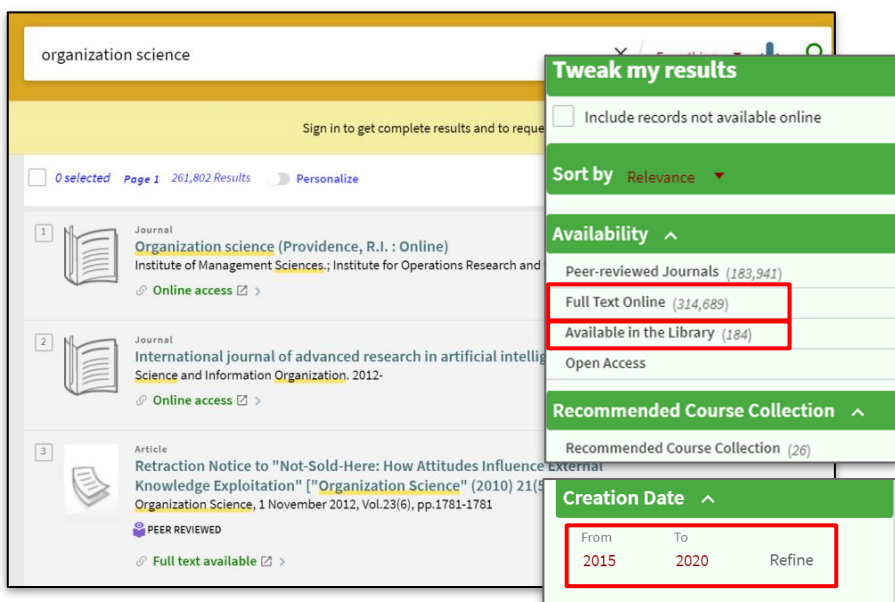

Finding E-Resources

1

Conduct a search in any of the following ways:

- Keyword
- Title
- Author
- ISBN no.

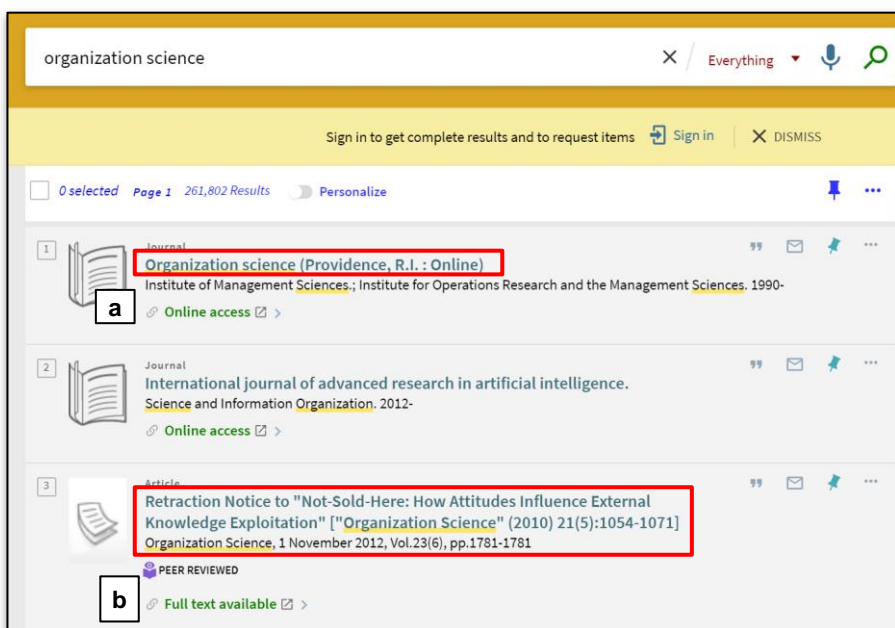

2

To find only E-resources, select:

- Peer-reviewed Journals
- Full Text Online

Further refine the search by updating the 'Creation Date'.

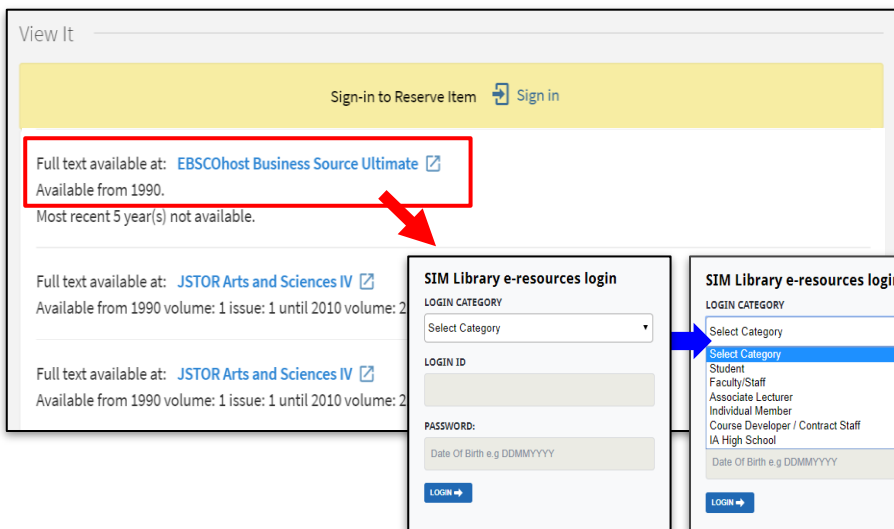

3

To access E-resources, look for:

- Online access
(For E-journals)
- Full text available
(For E-books and Journal Articles)

Click on the title to view links to full text.

ONESEARCH USER GUIDE

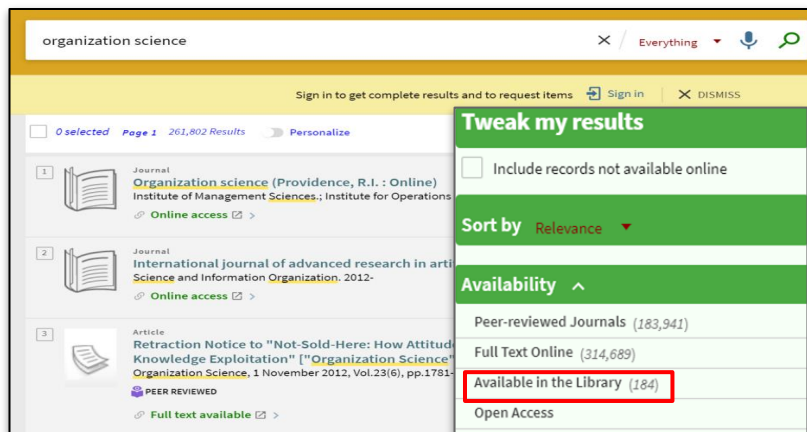

4

To access the E-journal, E-books or Journal Article:

- Select the database link to access the full-text.
- Select your Login Category, then login.

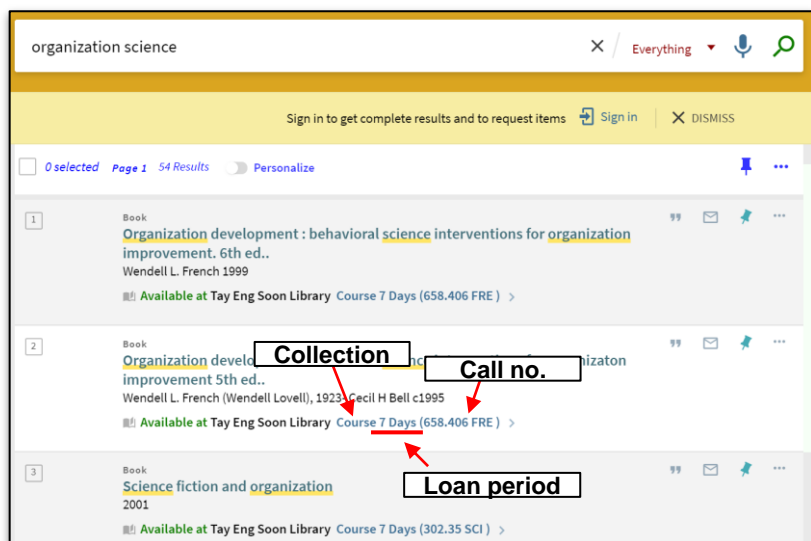

Finding Print Items Available in the Library

5

To find *only* print materials in the library, select:

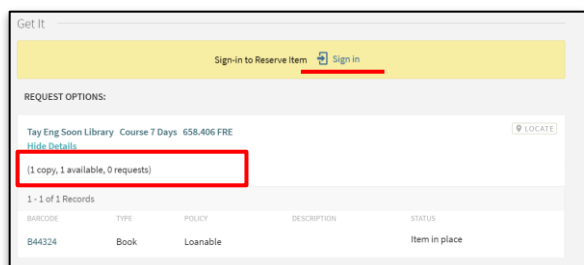

“Available in the Library”

6

To locate print materials in the library, look for:

- Collection (e.g. Course Collection)
- Call number (e.g. 658.406 FRE)
- Loan period (e.g. 7 days)

7

Check if the item is available for loan.

NB: If item is on loan, sign in to your SIM Library account to reserve the item.
